

Principal Email October 23, 2020

Good afternoon parents and guardians,

- As mentioned in last week's Principal's email, **Halloween** will be celebrated differently this year. Please look for communication from your child's homeroom teacher for detailed information for your child's class and grade.
- At this time, our **parking lot and kiss and ride lane remain closed**. Please continue to drop off or walk with your student(s) in areas that are safe to do so only.
- We have received the go-ahead to start using **sports equipment during physical education classes**. Our PE teachers will start adding equipment to their classes starting Monday.
- Our students have been simply amazing at adapting to the new format for the school year, we are so proud of them for their efforts, **congrats Eagles!** For day-to-day updates and photos of school happenings, follow us on Instagram @knoxdalps
- And finally, **a huge thank you to ALL of you**, who have been working so hard to support your Eagles in having a successful year. We can't thank you enough! We thank those of you who have adapted your routines in dropping off and picking up your children! These changes have brought so much joy for us in seeing you on the lawn, hearing your laughs, the chatter, hugging your kids, and bringing your pets. We love our Knoxdale family!

On behalf of the Knoxdale team, have a wonderful weekend!

Julie Chouinard, Principal
