

## **Principal Email October 16, 2020**

Good afternoon parents and guardians,

We want to thank you for attending our virtual Meet-the-Staff event! Your feedback is valuable as we continue to adjust to our new virtual format. Please use the link for the feedback form sent to you by your child's homeroom teacher to share your thoughts and suggestions with us.

With Halloween around the corner, the school board will be providing schools with direction next week. As soon as we receive more information, we will be sure to share it with you.

When students suffer a head injury at school, we follow the OCDSB Concussion Management procedure (PR.561.SCO). Starting next week, when a head injury is reported to the office, we will, in addition to our current practice of calling a parent/guardian, share with you a letter to provide you with additional information and next steps. Please see more information on concussion management and Rowan's Law below.

[Concussion Management](#)

[What is Rowan's Law and what does it mean for amateur sports?](#)

Our school has purchased online reading licenses for all of our students. Our staff will provide you with more information once the programs are set up and ready to go.

On behalf of the Knoxdale team, have a wonderful weekend,

Julie Chouinard, Principal
