

Principal Email Home - September 1, 2020

Good morning parents and guardians,

Yesterday, the OCDSB announced the start dates for schools. The full document can be found [HERE](#).

At Knoxdale, the progressive entry dates for in-person students will be as follows:

September 16	ONLY Grades 1, 2, ASD class, PSN class
September 17	Grades 1, 2, ASD class, PSN class + Grades JK, 3, 4, and ONLY SK students enrolled in EDP
September 18	All students + Grade 5, 6 and Grade 5/6 Gifted

You will receive more detailed instructions as we get closer to the start date. For example, we are currently working on sharing information with you such as:

- Virtual tour of the school and welcome back video
- Drop off and pick up procedures, including maps and other visuals.
- Map of neighbouring streets to help you identify park and walk or drop off areas
- List of recommended school supplies for each grade

We are not ready to send our class preference request form just yet. Once we are, the form will be emailed to you. As previously mentioned, please note that we will be very restricted in our ability to accommodate friend, teacher, personal social bubbles and split class requests this year.

Finally, new this year, an email from your child's homeroom teacher will be sent to you prior to the start date. This letter will inform you of the teacher's name, photo and meeting point on the first day of school.

Thank you for your ongoing support and patience,

Julie Chouinard
Principal
Knoxdale P.S
