

Principal Email Home - Thursday, April 1

Good afternoon parents and guardians,

Yesterday and today, your student(s) have done a locker/desk cleanup to return their personal belongings home. Though we will not be pivoting to remote learning in the immediate future, this is a good practice to continue doing as "stuff" tends to accumulate over time, and it allows our custodial staff to complete a thorough cleaning of the school.

In the past few weeks, you may have been impacted by some of our bus routes that have been canceled on very short notice. To receive information about bus cancellations and delays, please subscribe to the OSTA updates [HERE](#).

Some reminders:

- The play structures continue to be closed. After dismissal, please avoid congregating near or at the play structure or on school property.
- Thank you for wearing your masks on school property, your efforts and compliance are noticed and appreciated!
- The parking lot remains closed at and around arrival and dismissal times. Should you need to be accommodated due to special circumstances, please contact the main office: knoxstudentabsence@ocdsb.ca or julie.chouinard@ocdsb.ca

Our next KCSC (school council) meeting will be on Tuesday, April 6, 7pm. A Google Meet invite will be shared with the school community via email on Tuesday.

On behalf of the Knoxdale team, have a wonderful long weekend,

Julie Chouinard
Principal
Knoxdale P.S
