- Every effort is made to find occasional teachers, however, sometimes it is not possible. In the event that a guest teacher is not available to fill an absence, a message will be posted in your child's google classroom or google site. Asynchronous work will be available to your child for the day. We aim to communicate this between 7:30 and 8:00am and thank you for your support.
- Knoxwear gear has arrived! If you have ordered Knoxwear gear and have not already picked up please email knoxdalecouncil@gmail.com to arrange pick up. If you missed the first store, you're in luck. The Knoxwear store is back with some new must have items for summer. The store will be open until May 28th so get your order in now. This will be your last chance until September. Just click on the link [HERE](#). Remember 15% of each purchase goes back to support the KCSC.
- Registration is now open for OCDSB Extended Day Programs (EDP) for the 2021-2022 school year. The Extended Day Program operates before and after the regular school day and is open to all children from K-6 registered in their designated OCDSB school. For further information, visit the [Extended Day Program website](#).
