

Final Principal Email Home June 30, 2022

Dear Knoxdale families,

The end of a school year is always filled with mixed emotions, some joy, some sadness, and excitement for the summer ahead. Your children have shown incredible resilience throughout the uncertainties of the past year (or two, or three), and today, we celebrated them with an assembly and slide show to reminisce on the many bright moments of the past year.

For our students departing Knoxdale, we wish you well in your move to your new school. We hope that you will keep fond memories of your time at Knoxdale. For families and students returning next year, we will be ready to welcome you on **Tuesday, September 6.**

Finally, the time has come for me to move to another school, Vincent Massey Public School. It has been an honour to serve the students of Knoxdale as your child's principal these past few years. I will forever be thankful for the privilege I was given to learn and grow with them and will treasure my time with each and every one of your children.

Thank you for being supportive, engaged, kind and caring. I have gotten to know many of you through council, volunteering, phone calls, visits, check ins or simply to say hello in the yard as you dropped off or picked up your children. The Knoxdale community is built on the strength of its families, and I am grateful to have spent these four years with you.

Forever an Eagle,

Julie Chouinard, Principal
